I hope what with ever you do will be for the best and will turn out like you want it to. I hope that one day you and Ben Poteete will get married and have at least 6 kids and y'all will live happily ever after. And remember me as that girl who wanted to be a great success. I have always liked you and I wish you the very best of luck in everything you do. I wish you could have stayed in room to write a lot to you but I am not to sure that I wish you the whole year. I really enjoyed playing sports with you and I wish you were in my room. I am really glad that you are in my room. I am really glad that you are in my room. I am really glad that you are

AYER 1982

Over the years we have all associated something in our lives with a song. People seem so caught up in the sounds of today that almost everything we do it related in some way to a song. Morrilton High School, Morrilton Intermediate High School and the ***1982 AYER*** *are no exceptions.* ***"They're Playing Our Song"*** *allows you to remember your school year of 1981-82 with the songs and music you heard and loved.*

As you think back over your year and remember all the good times at MHS and MIHS, we think you will agree things always seemed much better when they were ***"Playing Our Song."***

*Once again in 1981-82 someone was definitely "**Playing Our Song**" as far as the Morrilton Devil Dogs Basketball eam is concerned. The Dogs, led by coaches John Widner, John Hoyt, and Lee Clay, had yet another fantastic year. Morrilton got off to a quick start winning their first nine games. They went to Harrison for the NACC Classic and impressively defeated Valley Springs and Harrison. Then two consecutive one-point thrillers over rivals Russellville nd Conway upped their record to 5-0. Once again the Dogs entered the Green Forest tournament, and with wins ver Green Forest, 49-23, and Berryville, 48-28, a rematch with the Cyclones of Russellville was established. However the Cyclones were victorious, 42-47, as the Dogs had to settle for second. Erric Maxfield, Calvin Donald, nd Teddy Smith were named to the All-tourney team. The Dogs hit a mid- season slump as they entered the Tech ournament. With two close games, Morrilton beat Huntsville 45-38, and Mena 49-48, in double overtime, and eached the semi-finals. But they were stopped there by Wonderview 36-42.*

*The Dogs moved on the conference play next and started out on the wrong foot with a 40-46 loss to Lonoke. However, Morrilton stormed back to win the rest of their conference games. It included: 62-41, and 37-30 wins over Stuttgart; 65-39, and 70-37 trashings of North Pulaski; 40-19, and 59-59 victories over Beebe; and 54-40, 53-43 wins gainst Searcy. The highlight was a 52-48 thriller over Lonoke, then ranked as high as third in the state. This set up a layoff game between Morrilton and Lonoke to decide the tournament seading and after a hard battle, Lonoke came ut of top 53-51. But another **Conference Co-Championship** was added to the long list of accomplishments in Devil Dog Basketball.*

McGehee And 6 : A Familiar Sight In '81'

e football Devil Dogs had another good year in 1981. The Dogs 7-3 season featured some big wins but also had to ke room for 2 big losses, which eventually kept them away from the state playoffs. The opening game was against AA rival Russellville and the Dogs put it all together and defeated the Cyclones soundly 40-8. The next week AAA ver Alma defeated Morrilton by a score of 26-20, holding off a 4th quarter surge by the Dogs. Subiaco didn't offer ch resistance the third game and the MHS easily handled the Trojans 40-14. Morrilton found itself facing the Oak ve Hornets next, and at the time rated the #1 team in Class AA. The Hornets fought tough but MHS was more n it could handle and fell to the Dogs 18-6.

e fifth week of the year proved to be the highlight of the 1981 season. The opponent was Conway, the #1 rated n in Arkansas. It was featured as the top game of the week and television cameras and state newspapers were on d to cover. Conway scored first on a 20 yd. field goal, but the Dogs came back and a Wes Hilliard to Marvin ward pass that covered 36 yards put Morrilton ahead 7-3 and they nevered trailed again. Trailback Shawn Gehee scored on runs of 2, 47, and 26 yards to turn the game into a Devil Dog rout of the #1 team in the state. e Dogs finally won 26-9, and put this one in the record books as one of the biggest wins ever.

nference play began with a 20-0 defeat of the Beebe Badgers. MHS found its' usual trouble at Lonoke. The Dogs e defeated 9-6, and still have never won a game at Lonoke. If heartbreakers are a test of the game, Morrilton got a e test against Homecoming rival Stuttgart. With 1:00 left on the stadium clock, Kevin Anderson had just scored a point conversion to put MHS ahead 11-7. Stuttgart ran one play for no gain. Then the impossible. The Ricebirds a hitch-and-pitch that took them 82 yards for the TD and a 14-11 win over the Dogs.

rrilton came back and ended its year with real Devil Dog Pride. They traveled to Searcy and trounced the Lions 6. Then the last game at home allowed the Dogs to end on a winning note by defeating North Pulaski by a score 36-22.

a school and community that expects perfection, a 7-3 season seemed very mediocre. But when everything was ghed about the 1981 team, and that anywhere from 15-20 juniors and sophomores started every game, effort, omplishment, congratulations and future are the words that describe the 1981 Devil Dogs.

The 1981-82 edition of the ***Lady Devil Dogs*** *was one of the finest ever. The Lady Dogs had four returning starters from the 1980-81 Regional Championship team, so they had a lot of game experience.*

The girls started out the season on a winning note by beating Wonderview 35-27. Then they played rivals Russellville, Conway, and Ft. Smith Southside and came out winners in each of those games. The Lady's then traveled to Russellville to play in the Ark. Tech Tourney. The Dogs beat Mena 36-26, but also experienced their first loss of the season to Class "B" powerhouse Mount Vernon 25-30, in the quarterfinals. The girls led by new coach ***Pat Widders,*** *bounced back and won two games before participating in the UCA Tournament. They beat Conway 54-40, but lost in the semi-finals to Batesville (at that time ranked in the top 10 in Arkansas), 41-44.*

The Lady Dogs finally got it all together when conference rolled around and they acculmulated a record of 9 wins and 1 loss in conference action. Their only loss came from Searcy 39-42 at Searcy, but the Lady Dogs split with them when the Lions came to Morrilton by beating them in a thriller 36-35. This tied Morrilton and Searcy for the conference championship and this was the first ever for the Lady Dogs. So, the 1981-82 season was really the year that the ***CO-CHAMPION LADY DEVIL DOGS*** *were* ***"PLAYING OUR SONG"***

— Devil Pups — Runner Up In Sylvan Hills Tourney

Eddie Pinter Named To All-Tournament Team

The 1981-82 Devil Pups opened their season with a 5 - 0 start by beating St. Joseph 40-21, Clarksville 41-20, St. Joseph 45-40, Cloverdale 45-40 and Mabelvale 32-26 in the Sylvan Hills tournament, before falling to Conway in the finals 42-36. The Pups got revenge in the very next game by beating Conway 38-32 in front of our home crowd. Then the Pups traveled to Russellville where they won by a score of 37-29.

The stage was set for a showdown with Conway at their home court. It was a thriller with the Pups falling by one, 30-29. We retaliated with an eight point win over Russellville 36-28.

We were the top seed in the Russellville tournament which was snowed out. Being seeded number one was an honor and a challenge with teams like Conway, Searcy, Ramsey, and Kimmons from Ft. Smith also entered.

The Pups are ready for conference play and this year promises to be another good one for the Morrilton Devil Pups.

Region 5AAAN Champs

The Devil Pups fought hard each week of the season to end up with an 8 - 1 overall record, undefeated in conference and a 5AAAN championship.

The Pups began the season with a come-from-behind victory over Russellville 15-7. Their next victory was a tough non-conference game with Oak Grove 12-0. The Pups' third game was to be their first conference test, a 20-6 victory over Lonoke. North Little Rock Lakewood was to be the next victim of the Devil Pups when the Pups trounced them 31-0. The Devil Pups then traveled to Cabot and delivered an 8-0 defeat to the Panther Cubs. The Devil Pups' sixth game proved to be a heartbreaker as the Pups suffered their only loss to an undefeated Conway team 0-12. With three tough conference games left and the championship on the line, the Pups got back on track trouncing Searcy 24-0 and ripping the Beebe Badgers 32-6. This set the stage for the Devil Pups ninth game of the season.

The Devil Pups' final game was to be the most important game of the year. The Pups traveled to Stuttgart to play the Ricebirds who also were undefeated in conference play. The championship was on the line. All twenty-two of the Pups put out an outstanding performance, both offensively and defensively, to defeat Stuttgart 6-0 and win the conference championship.

The 1981-82 Lady Devil Pups are off to a good start. At this point in the season, the Pups have a 9-1 record. Their only loss this season was to Christ Lutheran in the semi-finals of the Sylvan Hills tournament. This loss also ended a 21 game winning streak for the Lady Devil Pups. The Lady Pups are preparing for the conference openers with hopes of winning the 5AAA North conference again this year.

Hark! The sounds of Devil Dog voices,
Sounding so true blue.
Singing Morrilton High School's praises,
Ringing clear and true.
Hail to the brightest star of all,
Clear in its radiant shine.
Shouting Morrilton High School's praises,
Alma Mater mine!
